

DESCRIPTION

Isol'Deco Glue is a special glue for ISOL'DECO, a high-end special wall covering to be painted, with sound and thermal qualities.

FIELD OF USE

Isol'Deco glue is ideal in humid environments, with a quick setting and reinforced adhesion.

TECHNICAL CHARACTERISTICS

- Consistency : smooth.
- Color : White.
- Spreading-rate : 150 à 250 g/m².
- Density : 1,30 +/- 0,05 at 20°C.

SURFACE PREPARATION

The work must be done in accordance with standard NF DTU59.1 and will be carried out with the greatest care.

CONDITIONS AND METHODS OF APPLICATION

The walls should be sound, smooth, clean and dry. Remove all dirt and contamination. Fill holes and cracks.
Mix the product well before use. Apply Isol'Deco Glue directly to the wall.
Lay the length dry, smooth with a roller and cut the excess with a cutter. Lay the following lengths edge to edge. After drying, apply a coat of water-based or decorative paint according to your choice (1 or 2 coats).
In case of renovation, completely dry removable.

APPLICATION DETAILS OF USAGE

Dilution: Ready to use.

STORAGE

The product can be stored for up to 2 years in good storage conditions away from sunlight and frost in its original closed packaging. It is nevertheless recommended to shake the product before use.

PACKAGING

1 kg, 5 kg.

HEALTH & SAFETY

Health and safety information and precautions for use are detailed in the safety data sheet N° 106.

Edition : July 2020 by Colorado 07/20 (DC28 D).

N.B : The purpose of this technical data sheet is to provide information on the properties of our product. The information contained therein is based on our current knowledge of tests carried out with a constant concern for objectivity according to the conditions of use in accordance with standards or DTU in force; However, the information cannot replace an appropriate description and the state of the funds to be painted. This descriptive technical sheet cancels and replaces any sheet relating to the same product. The above technical data does not imply acceptance of the guarantees. Close the pot tightly after use. Help preserve the environment by not disposing of waste in the drains or household waste. Please return your empty jar to a recycling center. For your unused product, please contact your local authorities for information on disposal and collection.
