

## DESCRIPTION

Colocire is a water-based polish used to protect and maintain surfaces painted with Ambra while increasing its shine and washability.

## FIELD OF USE

COLOCIRE is used to protect and maintain the interior decorative covering type Ambra or exterior type Ksour, and to increase its washability and resistance.

## TECHNICAL CHARACTERISTICS

- Aspect : Satin, Translucent.
- Colors: Colorless.
- Spreading-rate : 12 to 15 m<sup>2</sup>/800ml.
- Density : 1,00 +/- 0,05 at 25°C.
- Viscosity : 100 +/- 5 KU (Brookfield) at 25°C.

## SURFACE PREPARATION

The work must be done in accordance with standard NF DTU59.1 and will be carried out with the greatest care.

## CONDITIONS AND METHODS OF APPLICATION

Mix well before use.  
The support must be dry, dusted and well finished. The wax is applied with a cloth.

## APPLICATION DETAILS OF USAGE

The product is easily applied with dilution (10%) or without dilution by circular movements. Spread COLOCIRE with a clean and wet cloth (Chamoisine), over the entire surface of the decorative coating type Ambra or Ksour.

The last step is to smooth the wax, in a circular manner, with a knife covered with a dry cloth (Sticcage). This sticcage step begins once the wax is dry (after 10 to 20 min).

## DRYING TIME

20 to 25 minutes.  
Washable after 4 weeks of drying.

## STORAGE

The product can be stored for up to 2 years in good storage conditions away from sunlight, it is nevertheless recommended to shake the product before use.

## PACKAGING

800 ml.

## HEALTH & SAFETY

Health and safety information and precautions for use are detailed on the safety data sheet N° 44.

Edition : July 2020 by Colorado 07/20 (DC28 D).

N.B : The purpose of this technical data sheet is to provide information on the properties of our product. The information contained therein is based on our current knowledge of tests carried out with a constant concern for objectivity according to the conditions of use in accordance with standards or DTU in force; However, the information cannot replace an appropriate description and the state of the funds to be painted. This descriptive technical sheet cancels and replaces any sheet relating to the same product. The above technical data does not imply acceptance of the guarantees. Close the pot tightly after use. Help preserve the environment by not disposing of waste in the drains or household waste. Please return your empty jar to a recycling center. For your unused product, please contact your local authorities for information on disposal and collection.
